1. Course unit title: Municipal Law, Local Self-government and Local Administration
2. Course unit code: LAW 2031
3. Type of course unit: elective
4. Level of course unit: Bachelor
5. Year of study: fourth
6. Semester when the course unit is delivered: seventh
7. Number of ECTS credits allocated: 3
8. Name of lecturer: Assoc. Prof. Marcho Markov, PhD
9. Learning outcomes of the course unit: In order to strengthen civil society and particularly the new position and role of the Local self- government, the course Municipal Law, Local Self-government and Administration has its systematic place and role in the learning process for creating and developing lawyers, for students graduated from Counteraction to Crime and Public Order Protection, National Security Protection and Public Administration.
10. Mode of delivery: face-to-face
11. Prerequisites and co-requisites: Students need to have knowledge in General Theory of Law, Constitutional Law, Administrative Law and Administrative Process and Criminal Law
12. Course contents: The course is interdisciplinary. Attention is paid to the complexity of problems of the real functioning of local self-government. During the last decade of the twentieth century more and more attention was paid to the importance of decentralization of power and strengthening the role of local self-government. The Republic of Bulgaria has accepted a number of international obligations. They are related to the ratification of the European Charter of Local Self-Government as well as to our participation in the Council of Europe, in many international projects on problems of strengthening and developing local self-government under the new conditions..
